Tracey Ivaldi  
Vice President  
Perona Farms  
Andover NJ[Address 3]

Dear Tracey

Thank you for taking the time to meet. I am glad that George had thought well to connect us. I always enjoy his company as well. Please find here the business cards we talked about. Thank you for the invitation.

I would be honored to serve you and your family at Perona farms. The service I will provide helps brides and their families find a bridge between a light joy filled ceremony on location and the reverence they would find at the church, all within the context of Perona farms and its parameters. When a bride, a groom or a family member mentions not having the ceremony at the church due to any imposed obstacles, they may find a convenient alternative that exceeds expectations here.

Call on me anytime. I have become committed to humble service that honors marriage the wedding celebration and our hosts.

Blessings, Rev. Rob
